Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Sparrow, Mary Doria Russell, Set in the 21st century - between 20 and 60 years from now - The Sparrow is the story of a charismatic Jesuit priest and talented linguist, Emilio Sandoz, who - in response to a remarkable radio signal from the depths of space - leads a scientific mission to make first contact with an extraterrestrial culture. In the true tradition of Jesuit adventurers before him, Sandoz and his companions are prepared to endure isolation, suffering - even death - but nothing can prepare them for the civilisation they encounter, or for the tragic misunderstanding that brings the mission to a devastating end. Once considered a living saint, Sandoz returns alone to Earth horrifically maimed, both physically and spiritually, the mission's sole survivor - only to be blamed for the mission's failure and accused of heinous crimes. Written in clean, effortless prose and peopled with memorable, superbly-realised characters who never lose their humanity or humour, The Sparrow is a powerful, haunting fiction - a tragic but ultimately triumphant novel about the nature of faith, of love and what it means to be 'human'.
