We all want more of the good stuff . . . clinging to the fleeting good times and cringing against the waves of pain as we hope and pray this too shall pass -- quickly. In Dot's high-tech academic career her Zen practice may have been a cool commodity that she wore with as much pride as her Birkenstocks around campus. But when she found herself unable to stand in front of a class any longer, when the dysautonomia had taken a turn that would never let her turn back her life . that's when the practice became the path. The word Lila is sanskrit for the cosmic play. In The Lila is a story about a woman who finds herself facing a life limiting illness and within the boundaries of a two dimensional social networking game begins to question what is real as well as what really matters in her life. A warm story of courage and perseverance, our main character Dot is drawn into the enquiry not unlike many modern day seekers of...
