RESTLESS EMPIRE: CHINA AND THE WORLD SINCE 1750 (HARDBACK)

[DOWNLOAD PDF](#)

Vintage Publishing, United Kingdom, 2012. Hardback. Book Condition: New. 238 x 156 mm. Language: English . Brand New Book. Over the past 250 years of momentous change and dramatic upheaval, China has proved itself to be a Restless Empire . Tracing China s course from the eighteenth-century Qing Dynasty to today s People s Republic, Restless Empire shows how the country s worldview has evolved. It explains how Chinese attitudes have been determined by both receptiveness and resistance to outside influence and presents the preoccupations that have set its foreign-relations agenda. Within two decades China is likely to depose the United States as the world s largest economy. By then the country expects to have eradicated poverty among its population of more than one and a half billion, and established itself as the world s technological powerhouse. Meanwhile, some - especially its neighbours - are afraid that China will strengthen its military might in order to bend others to its will. A new form of Chinese nationalism is rising. Many Chinese are angry about perceived past injustices and fear a loss of identity to commercial forces and foreign influences. So, will China s attraction to world society dwindle, or will China continue to engage? Will it attempt to recreate a Sino-centric international order in Eastern Asia, or pursue a more harmonious diplomatic route? And can it overcome its lack of democracy and transparency, or are these characteristics hard-wired into the Chinese system? Whatever the case, we ignore China s international history at our peril. Restless Empire is a magisterial and indispensable history of the most important state in world affairs today.
