Thomas Nelson Publishers, United States, 2008. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. A graceful, biblical way to reclaim sanity for the home and dignity for the suffering spouse in a dysfunctional or dangerous marriage. Thousands of conscientious believers wanting to honor the sacred vows they took before God suffer in dysfunctional, even dangerous marriages. Each and every day they must choose between the lesser of two evils: divorce without sound biblical support or a life of perpetual, unrelenting misery. Somewhere between the secular disregard for the commands of Christ and the sacred unwillingness to deal with real problems of people, there is a way. The redemptive divorce process is designed to honor the sacredness of the union while offering practical relief for the suffering partner and tough love for the offending spouse. In some cases, it might even be the catalyst for the restoration and rebuilding of the marriage. Practical, provocative, and utterly unique, Redemptive Divorce includes a helpful guide with worksheets for implementation.
