For Tohko Amano, a third-year high school student and self-styled book girl, being the head of the literary club is more than just an extracurricular activity. Its her bread and butter... literally! Tohko is actually a literature-gobbling demon, who can be found at all hours of the day munching on torn out pages from all kinds of books. But for Tohko, the real delicacies are hand-written stories. To satisfy her gourmet tastes, shes employed (rather, browbeaten) one Konoha Inoue, who scribbles away each day after school to satisfy Tohkos appetite. But when another student comes knocking on the literary club door for advice on writing love letters, will Tohko discover a new kind of delicacy? This item ships from multiple locations.
