Many grandparents experience the joy of sharing in the care of their grandchildren. Because of the time spent together, it's not uncommon for grandparents to see the child's first steps or hear his first words. What a joy! Lola and Lolo, as Melanie and her husband are now affectionately referred to, along with other grandparents, also have the privilege of teaching the little ones how to read and write, sing songs, and of course, try different foods. This book shares the most important thing you can teach your grandchild. As a new grandparent, Melanie was inspired to write about her own experiences and the joy she feels each and every day for her growing family. Through this process, she realized that she has many more memories to share and many more stories to tell - At Grandpa and Grandma's House is her first.
