With these and many other questions in our minds, we have brought together some contemporary pastors and church leaders to help explain the basic doctrines of the Christian faith in an easy, understandable way. After all, throughout history, the Bible has provided the surest foundation for living that this world can offer! The impact of this truth should transform your life and help to renew our twenty-first century society. *A Foundation for Life* will help the reader learn the basic teaching of the Bible's most important doctrines. Godly men wrote this book, putting it in plain, easy-to-understand language. It is useful not only for personal study, but the brief chapters are outlined so well that the material is easily adaptable to group usage also.
