Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

THE gliding fish that takes his play In shady nook of streamlet cool, Thinks not how waters pass away And summer dries the pool. M Histories (of an Enthusiasts Nonchalant and a Realist), her best work. It is from her Lays of Leisure Hours and contributions to magazines, that she has claim to our notice in this work. As a writer of prose she has had much favour with the seriously disposed class, and deservedly, as she exhibits a lively imagination, a healthy moral tone, and an honest zeal to do good. As a writer of verse her merit is less, for, though her thoughts are good and her feeling strong, her versification is laboured, and destitute of that glow which true poetic fire always communicates to the lines it dictates; indeed, she seems, when she attempts verse, to lose the imagination which marks her prose; yet she cannot fail to win respect by her genuine and cheerful piety. We have headed our notice with her maiden name, as by that she will be most readily recognised, but she was married to the Rev. William Fletcher, whom she accompanied on a religious mission to India, where she died of cholera, a few months after landing, October 1833. She enjoyed the friendship...
