Grandmothers are storehouses of loving. They know how to hug and dry tears better than anyone. A relationship between a grandmother and a grandchild cannot be replicated. It goes to the heart of faith, morality, life, and love. Grandmothers share themselves by teaching life lessons in fun ways. But there's nothing more awesome than watching a child's world expand to include those values and morals as he incorporates these beliefs into his own moral code. Biblical principles such as forgiveness, tattling, making do, being compassionate, having a good attitude, never giving up, and sharing, as experienced through a child's eyes, gives a whole new meaning to the importance and influence of grandparents.
